

PODCAST STUFF NOTEBOOK

Hello Friends,

Thank you for checking out and downloading the PodcastStuffNotebook.com PDF version.

Podcasting is time consuming and I scrapped my entire season 1.

This is the notebook I wished I had when I started.

I'd love to learn more about your Podcast journey and how you are using the Podcast Stuff Notebook.

You can email me PSN@TheProductAngle.com or on Twitter @PradipCloud.

**Keep Podcasting.
